IV. LIFE UNIVERSITY PROGRAM INFORMATION

CONTACT: Admissions: (678) 331-4330 or (800) 543-3202

V. SPECIAL RELATIONSHIP CONDITIONS BETWEEN LIFE UNIVERSITY AND WENZHOU MEDICAL UNIVERSITY for a 3+1+1 program as described in attachment. LIFE UNIVERSITY accepts credits from WENZHOU MEDICAL UNIVERSITY's Bachelor of Sport and Human Body Science Degree towards LIFE UNIVERSITY's Bachelor of Science Degree in Exercise Science consistent with LIFE UNIVERSITY credit transfer policies. Students at Wenzhou Medical University would complete three years of study in the Bachelor of Sport and Human Body Science Degree prior to attending Life University's Exercise Science Program. The student would then complete three quarters of full-time studies in the Exercise Science Program at Life University. Once the student has completed the outlined courses, the student would be awarded a Bachelor in Exercise Science degree from Life University. The Wenzhou student would then matriculate into the Masters of Science Degree program in Sport Health Science with a concentration in exercise and sport science. Upon completion of the outlined graduate coursework within four quarters of full-time study at Life University the Wenzhou student can choose to return to Wenzhou Medical University and complete their final quarter in order to fulfill all the requirements of the Life University Master of Science degree.

WENZHOU MEDICAL UNIVERSITY may accept classes taken at LIFE UNIVERSITY in the Bachelor of Science Degree in Exercise Science and may award the WENZHOU MEDICAL UNIVERSITY diploma.

All WENZHOU MEDICAL UNIVERSITY students must meet and adhere to all rules and regulations set forth by the US government, current immigration policies, and Life University policies pertaining to international students.

All WENZHOU MEDICAL UNIVERSITY students seeking admissions into the Bachelor of Science Degree in Exercise Science and/or Master of Science Degree in Sport Health Science programs must meet admissions requirements of each program.
